

RICHLAND COUNTY

Index compiled by Velma Allen, assisted by Susan Stuessy and Mary W. Barnes

Using this Index

1. This is an alphabetical index to people, places, organizations and events of Richland County. States, countries and counties of origin or destination are not included.
2. The same name may appear in the book with several spellings. If you do not find a particular name in the index, look for similar names.
3. Women are listed under both maiden and married names, e.g., Clark, Emma; Pratt, Emma Clark.
4. There are several people mentioned in the book who have the same name with no distinguishing middle name or initial. Sometimes these have been listed once. For example, there are at least three John Smith's, but you will find them included under one listing.
